Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

Cancellation Procedure: Shall occur when you give written notice of cancellation at the institution's address. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written notice that you may wish. You do not cancel the contract by just not attending classes.

Equipment Policy: If the school has given you any equipment which was stated as returnable when it was issued, you must return it to the school within 30 days following the date of your notice of cancellation or last date of attendance if no notice is given. If you fail to return this equipment, in as issued condition within the 30-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Beauty supplies and equipment are not returnable items due to sanitary reasons. Once you have received beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee, tuition and equipment received.

Refund Policy: The School's cancellation, withdrawal and refund policy complies with the California Private Postsecondary Education Act of 2009 Article 13 Section 94919 and the NACCAS Withdrawal and Settlement Policy. After the cancellation period, the institution provides a pro rata refund of nonfederal student financial aid program moneys paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the scheduled attendance has incurred, there will be no refund to the student. The \$100.00 registration fee is a non-refundable item. Equipment will be refunded in accordance with the *Equipment Policy*. Once received by the student it will belong to the student and will represent a liability to the student. The Schools *Refund Policy* applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. If the school closes before you graduate, you may be entitled to a refund. Contact the address and phone number below for information.

If you have any complaints, questions, or problems which you cannot work out with the school, write or call the Bureau for Private Postsecondary Education at the address or phone number listed below. Read the Notice of Cancellation form for an explanation of your Cancellation rights and responsibilities. Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive STE 400, Sacramento, CA 95833, PO Box 980818, West Sacramento, CA 95798-0818, Phone: 1(888) 370-7589 Fax: (916) 263-1897 www.bppe.ca.gov. The School maintains evidence that institutional refunds are received by the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

Withdrawal from course: you have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until

the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment issued. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the *Equipment Policy*, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. For a list of these charges, see addendum agreement. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is on the student's notification or school's determination.

Hypothetical refund example according to the California State pro rata policy: Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the *Equipment Policy*) the equipment they obtained. The pro rata refund to the student would be \$4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400
Less processing fee (not	75.
Less cost of unreturnable	525.
Equals amount paid for	\$6,800

Tuition cost	\$6,800.00
Hours in the	1,600
Hourly charge	4.25

Paid for instruction	\$6,800
Hours attended	600
Tuition owed 600 x	\$2,550
Refund due	\$4,250

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.

Termination by Institution

Termination Policy-Termination of a student is defined as no longer receiving credit, either by voluntary withdraw, dismissal by the school as disciplinary action or failure to meet school regulations and financial requirements.

The following conduct will subject a student to termination:

1. Altering or forging timecards.
2. Causing extreme or willful disruption of school.
3. Use of ethnic, racial or sexual slurs, or abusive language toward any client, staff member or fellow student.
4. Committing an obscene act or engaging in vulgarity or profanity.
5. Failure to follow one's own contract with the school.
6. Willfully not following school rules or guidelines.
7. Caused, attempted to cause, or threatened to cause physical injury to another person.
8. Possessed, sold or furnished any firearm, knife, explosive or other dangerous object.
9. Possessed, used, sold, furnished or been under the influence of any controlled substance, alcoholic beverage or intoxicant. If a staff member suspects a student of being under the influence they will subject to testing at the **Sacramento Occupational Medical Group**. Students are required to report immediately and submit to medical testing. If a student refuses or doesn't immediately report to the testing facility, the student will be terminated.

The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.

The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.

For CA Schools: If you are absent for a period of 14 consecutive calendar days without notifying the school and not on an approved LOA, you will be deemed a withdrawal, even if that was not your intent.

The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

Collection Policy: Delinquent accounts could be assigned to collection agencies. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.
